

Are you living with diabetes?

GAIN KNOWLEDGE+SKILLS+CONFIDENCE

Diabetes Self-Management Program

Daily challenges of living with diabetes can be difficult. Gain knowledge, skills and confidence in your ability to manage your symptoms by taking a **free** program. Learn how to better balance activity, nutrition and medication.

In-Person Workshops

OR

Virtual Workshops

Our **In-Person** group workshops are held at host venues in communities throughout BC (max 12 participants). Our **Virtual** workshops are conducted via webcams (max 8 participants). Each option consists of one 2.5 hour session per week for 6 weeks. The “Living a Health Life” resource book is provided.

Self-Study: Tool Kit for Active Living

Participants receive program materials including the “Living a Healthy Life” resource book, and self-assessment and guide booklet in a one-time mailing. Suitable for those who enjoy **independent** self-paced learning.

Telephone Group: Tool Kit for Active Living + Calls

In this 6-week workshop you receive the materials from the *Tool Kit for Active Living with Diabetes* **PLUS** participate in a weekly 45 minute, small group guided call (4-6 participants).
